ARTICLE II
ROLE OF SAGINAW VALLEY STATE UNIVERSITY
BOARD OF CONTROL AS AUTHORIZING BODY

Section 2.1. Method of Selection, Length of Term, and Number of Members of the Board of Directors. The University Board has adopted the Policy providing for the method of selection, length of term, number of members, qualification of members, the procedure for removal of members and the names of the initial Academy Board. The Policy is incorporated into this Contract as Schedule 1 (see Policy Statement part V).

Section 2.2. Method for Monitoring Academy's Compliance with Applicable Law and Performance of its Targeted Educational Outcomes. The University Board has the responsibility to oversee the Academy's compliance with the Contract and all Applicable Law. Additionally, the Academy shall be responsible for the following:

- (a) The Academy shall provide the President with (i) a copy of the annual educational report prior to the date required for publication by Applicable Law and submit to the President documentation sufficient to demonstrate the Academy's progress in meeting its educational goals, including with respect to student success on all assessments administered, and (ii) the monthly report required under MCLA 380.552 (20) for public school academies operating an online program or distance learning program, if permitted in this Contract.
- (b) In the event that the President determines that the Academy's educational outcomes are not meeting the targeted educational goals, the University, at its discretion, may require an objective evaluation of student performances by an educational consultant, acceptable to the President. The Academy shall pay for the expense of the evaluation.
- (c) The Academy shall submit audited financial reports, including auditor's management letters and any exceptions noted by the auditors, to the University President. The reports shall be prepared by the Academy's independent Certified Public Accountant (CPA) and submitted to the President prior to the date by which such audited financial reports must be submitted to the State of Michigan pursuant to Applicable Law.
- (d) The Academy shall provide the President with a copy of the proposed annual budget for the upcoming fiscal year of the Academy no later than July 1.
- (e) The Academy shall provide to the President agendas and notice in advance of all Academy Board meetings and minutes of all Academy Board meetings. All notices of special meetings shall be accompanied by an affidavit that the posting was undertaken in accordance with this Contract, the Academy Board's bylaws, and Applicable Law.

- (f) The Academy shall promptly notify the President of correspondence received from the Michigan Department of Education or State Board of Education that requires a formal response and provide a copy of said response.
- (g) The Academy shall immediately report to the President any litigation or formal proceedings alleging a violation or violations of Applicable Law by the Academy, its officers, employees, agents, and/or contractors and/or the ESP, its officers, employees, agents, and/or contractors or subcontractors.
- (h) The Academy shall permit visitation of its facilities and programs at any time by representatives of the University authorized by the President. No advance notice is required.
- (i) The Academy shall permit examination and/or duplication of any or all records the Academy is required to maintain and/or submit at any time by representatives of the University authorized by the President.
- (j) The Academy shall provide certification of its adoption of such policies as the Academy Board deems reasonable and necessary to discharge its functions and to comply with Applicable law.

Section 2.3. Reimbursement of University Board Costs. Pursuant to MCL 380.502(6), the Academy shall pay the University Board an administrative fee to reimburse the University Board for the costs of its execution of its oversight responsibilities. The fee is deemed earned upon the commencement of a given fiscal year of the Academy and shall be 3% of the total of all state school aid payments received by the Academy for that fiscal year. The University may choose, at its sole discretion, to waive all or a portion of the fee.

Section 2.4. Reimbursement for University Board Services Associated with Third-Party Subpoenas and Freedom of Information Act Requests. If the University Board receives a Freedom of Information Act Request or a subpoena from a third party (including the Academy, its counsel, the Academy's ESP or its counsel) demanding the production of Academy documents related to pending litigation or proceedings involving the Academy, the Academy's ESP (or any subcontractor of the ESP or other contractors of the Academy) or any third party, the University Board may charge the Academy for the cost of the services associated with the University Board's response to the subpoena or FOIA request (including actual attorney's fees in fulfilling the request). The parties agree that the Academy may avoid the obligation to pay for services by the University Board associated with responses for requests for documents by directly producing Academy documents to the requesting party.

In the event the University receives a subpoena or other valid order or process from a Court of competent jurisdiction compelling testimony of a member of the University's Board of Control, its President or any other of its officers, directors, or other personnel, the Academy shall pay all legal fees and costs (including actual attorney's fees) related to the required testimony.

Section 2.5. University Board as Fiscal Agent for the Academy. The University Board is the fiscal agent for the Academy. The University shall retain any amount owed to the University by the Academy pursuant to this Contract, provided that the University Board shall retain no more than the total of (a) 3% of each installment for its University Board Costs and (b) the costs associated with responding to a subpoena or FOIA request under Section 2.4 in the event the Academy declines to produce such documents itself. For purposes of this section, the responsibilities of the University, the State of Michigan, and the Academy are set forth in the Fiscal Agent Agreement incorporated herein as Schedule 2.

Section 2.6. Authorization of Employment. The Academy may employ or contract with personnel, in accordance with all state law requirements regarding certification (including certified teachers, administrators, and chief business officials) according to Applicable Law, and qualifications of certain employees of public schools, except that noncertified teachers and/or administrators may be used as permitted by Applicable Law. Academy shall make available to the University for its review all licenses, certifications, and other qualifications of Academy personnel required by law, and shall undertake or cause to be undertaken all criminal background and unprofessional conduct checks required by applicable law.

Section 2.7. Borrowings by the Academy. The Academy shall not incur indebtedness or borrow money except in accordance with applicable law and with the prior approval of the University. It is the Academy's obligation to provide the University with sufficient notice and time to review any and all closing documents prior to any anticipated closing. Failure to do so risks non-approval of the borrowing in question or non-delivery of any certificates requested of the authorizing body. The Academy may not levy taxes. Notwithstanding the foregoing, the Academy, only after obtaining the prior written approval of The Charter Collaborative Director, which consent may be withheld for any reason, may incur debt only as follows:

- (a) Short-term: The Academy may incur temporary debt in accordance with Section 1225 of the Code provided, at the option of the charter office, it submits forms of the proposed financing documents (including term sheet, amortization schedule and cash flow) to the attention of the Director of The Charter Collaborative at least fifteen (15) business days prior to closing and obtains his/her written nondisapproval of the transaction prior to closing. For transactions involving the Michigan Finance Authority's annual State Aid Note Pool program, in recognition of the fact that the documents are of a standardized set and have historically been released to counsel and require return by counsel in a compressed time period, in lieu of providing transaction documents, the Academy will provide the State Aid Note Program application, cash flow workbook, and all application-related materials to the charter office simultaneous with submission to the State Aid Note Program staff. The Charter Collaborative's nondisapproval of any transaction hereunder is not a representation by the charter office of any aspect of the Academy's operations, the Academy's creditworthiness, or the Academy's ability to repay the indebtedness incurred. Credit decisions regarding indebtedness are expressly the responsibility of the lender.

(b) Long-term: The Academy may enter into long-term indebtedness in the manner and form permitted by applicable law provided it submits forms of the proposed financing documents (including term sheet, amortization schedule and any preliminary offering document, e.g., a Preliminary Official Statement) to the attention of the Director of The Charter Collaborative at least thirty (30) days prior to closing and obtains his/her written nondisapproval of the transaction. The Charter Collaborative's nondisapproval of any transaction does not mean that the charter office expresses or implies any opinion as to the veracity or completeness of any representation made in any offering document or that The Charter Collaborative is making any representations of the Academy's creditworthiness or its ability to repay any indebtedness so incurred. Credit decisions regarding indebtedness are expressly the responsibility of the lender.

(c) An instrument of indebtedness entered into by the Academy and a third party shall not in any way constitute an obligation, either general, special, or moral of the State of Michigan or the University. Neither the full faith and credit nor the taxing power of the State of Michigan or any agency of the State, nor the full faith and credit of Saginaw Valley State University shall ever be pledged for the payment of any Academy instrument of indebtedness.

(d) The Academy has no authority whatsoever to enter into any contract or other agreement that would financially obligate the State of Michigan or Saginaw Valley State University, nor does the Academy have any authority whatsoever to make any representations to lenders or third parties, that the State of Michigan or Saginaw Valley State University in any way guarantee, are financially obligated, or are in any way responsible for any agreement, promissory note, contract, mortgage, loan or other instrument of indebtedness entered into by the Academy. No party shall attribute any representation regarding the Academy in any manner, including in relation to any financing or financial undertaking that does not appear in a document physically signed with a wet signature by the Director of The Charter Collaborative.

(e) In the event that indebtedness of any sort contemplated by the Academy requires an intercept of state school aid for payment of debt service, a certificate or certification by the University or the University President, the issuance of such is subject to the sole discretion of the University, through its designee, the Director of The Charter Collaborative. It is the Academy's responsibility to provide ample notice of at least sixty (60) days of its need for same to ensure sufficient time for review, unless extenuating circumstances prohibit such review, in which case, the Academy shall provide notice at the earliest possible opportunity.

Additionally, no Relative may occupy a supervisory position over another Relative. Likewise, prohibitions against holding incompatible public office and against specified conflicts of interest set forth in MCL 15.181 to 15.185 and MCL 15.321 to 15.330, respectively, shall be scrupulously observed.

Section 3.5. Prohibition of Employment in More than One Full-time Position. No individual shall be employed by or at the Academy in more than 1 full-time position in which he or she is compensated at a full-time rate for each of those positions.

Section 3.6. Other Permitted Activities. Nothing in this Contract shall prohibit the Academy from engaging in other lawful activities that are not in derogation of the Academy's status as a public school or that would not jeopardize the eligibility of the Academy for state school aid funds. Subject to Section 2.5 of this Contract, the Academy may enter into agreements with other public schools, public school academies, governmental units, businesses, community, and nonprofit organizations where such agreements contribute to the effectiveness of the Academy or advance education in this state.
